2022 Wellington Road
Shiraz Cabernet Sauvignon

Wellington Road is the original name for the road that connects Langhorne Creek with the River Murray crossing town named for the Duke of Wellington. It is on this road that Bleasdale has sat since it was established in 1850.

Blended from some of the best parcels of Shiraz and Cabernet from the 2022 harvest. This wine shows an abundance of black fruits - blackberry, blackcurrant and plum with a well balanced, medium-bodied palate. The tannins and oak contribute to the structure and length of this traditional Langhorne Creek blend.

After a period of cellaring, it is normal for some sediment to form. Decanting one hour prior to drinking is recommended.
